Children of America Expands to Kansas: New Olathe School Opens in Johnson County

Children of America Olathe Marks the First COA Location in Kansas

Delray Beach, FL, January 16th, 2026 – Children of America® (COA), a national leader in educational childcare, proudly announces the opening of its first Kansas school in Olathe, expanding COA's presence into Johnson County. This new location will provide families in Olathe, Overland Park, and surrounding areas with a nurturing environment rooted in values, community, and a strong sense of purpose.

Official Opening Date
Date: January 12th,
Location: 11134 South Noble Dr., Olathe, KS 66061

"We are excited to begin serving families in Kansas and to bring our proven model of early childhood education to the Olathe community," said Ted Hockenberry, CEO of Children of America. "Our Olathe school reflects our mission to provide safe, innovative, and relationship-driven environments where children can reach their fullest potential."

Children of America Olathe will serve children ages six weeks to 12 years, offering Infant Care, Toddler Programs, Preschool, Pre-Kindergarten, and Before- and After-School Care. Enrichment programs will also feature to nurture curiosity, creativity, and social-emotional growth in a play-based learning environment.

Founded in 1998, Children of America has become known for blending research-driven curriculum with a strong emphasis on family partnerships. The Olathe school embodies this tradition with modern facilities, highly trained educators, and flexible care solutions designed to meet the needs of today's working families. Families can expect a warm, community-centered atmosphere that uplifts both children and parents alike.

Children of America Olathe is now enrolling for all programs. Families are invited to tour the new facility, meet the staff, and learn more about COA's distinctive approach to early childhood education.
